## CERTIFICATE OF ANALYSIS

Product name: Calcium acetate(Food Grade)

|                                                                                    |                             |         |
|------------------------------------------------------------------------------------|-----------------------------|---------|
| Batch No.:20251224                                                                 | Manufacture Date:2025.12.24 |         |
| CAS:62-54-4                                                                        | Report Date: 2025.12.24     |         |
| ITEMS                                                                              | Specification               | Results |
| Content (C <sub>4</sub> H <sub>6</sub> O <sub>4</sub> Ca, on anhydrous basis), w/% | 98.0-102.0                  | Conform |
| Moisture, w/% ≤                                                                    | 7.0                         | Conform |
| Fluoride (as F), w/% ≤                                                             | 0.005                       | Conform |
| Chloride (as Cl), w/% ≤                                                            | 0.05                        | Conform |
| Sulfate (SO <sub>4</sub> ), w/% ≤                                                  | 0.1                         | Conform |
| Lead (Pb), mg/kg ≤                                                                 | 2.0                         | Conform |
| Arsenic (As), mg/kg ≤                                                              | 2.0                         | Conform |
| pH Value (20g/L)                                                                   | 6.0-8.0                     | Conform |
| Conclusion                                                                         | Conform                     |         |
